Mighty Line Floor Tape

Mighty Line patented floor tape is the most durable tape available. Mighty Line floor tape comes in many colors, patterns, and in four different widths.

Whose Tape is Tougher?

Mighty Line tape and a major competitor's tape side by side in an aggressive test area frequently travelled by forklifts carrying heavy loads. Notice the major gouges and flaws in our competitor's tape.

Benefits of Mighty Line!

- Segregating pedestrian traffic from motorized vehicles.
- Illuminating walkways during power failures.
- 5S lean manufacturing improvements.
- Color code different areas with specific colored tapes.
- Easy to install and lasts!
- 3 year limited warranty.

Mighty Line Rodent Line

Makes it Easier to Detect Unwanted Critters!

**Mighty Line
Sanitation
Line Tape...
18" Wide!**

Mighty Line's *Sanitation Line* helps detect unwanted vermin entry.

Vermin infestations normally originate adjacent to the building exterior walls. Maintaining a clean sanitation line along the interior side of your exterior walls is an important pest detection technique. **Don't let these pests go undetected!**

Mighty Line Floor Location Markers

Make your storage locations more visible with Mighty Line Floor Location Markers.

Rectangular shaped letters/numbers make for precisely spaced quick and easy-to-install horizontally aligned floor signs.

Each letter/number has a clear non-slip overlay to prevent marring.

Standard size of letters and numbers are 8" H x 4-1/2" W, however, can customize any size to meet you need.
